Meeting Minutes

President Paul Hockin called the meeting to order at 11:24.

Other officers present were Robert McCarter, Dee Gilliland, and Cheri Anglin.

It was noted that a quorum was established with 25 voting members present.

Walter Atkinson gave a safety presentation on cold weather flying. Sonya told about her experience giving CPR and encouraged everyone to learn CPR.

Paul thanked Coley and Doug Denton for providing lunch (and himself). Coley will cook catfish and chicken in January. Tony volunteered to provide lunch in February.

Guests included new member Dwight Burnett who flies a powered parachute, Chester's granddaughter, Sairia, and returning guest Gary Barnett.

Bill Lehr moved that the minutes be approved, Robert McCarter seconded it, and they were approved.

Upcoming activities include the New Year's Day fly-in at Steve Dowell's hangar and Sun-N-Fun in April.

Dee gave the financial report. We had over 30 planes and 110 attendees at our November fly-in. We currently have 54 members. Our current cash balance is sufficient to cover operating expenses through June 30, 2020. Cash is also available to complete all the concrete costs for our new clubhouse/hangar. We still have not elected to buy insurance to cover the construction phase of our new clubhouse/hangar. Carlton is finalizing legal efforts to recover delinquent rentals related to Carl Fox's C-140 in Mark's hangar. CMLF sent flowers for Tommy's wife's funeral.

Cheri suggested that the club invest in an AED.

Bill Lehr moved to adjourn at 12:06, and Carlton seconded it.

Respectfully submitted,

Cheri Anglin
