

Central Mississippi Light Flyers

February Meeting

Meeting Minutes

February 9, 2008

Ronnie Smith, from Lucedale, gave a presentation on Rotax Engines.

President Coley Richardson called the regular business meeting to order.
All officers were present except the secretary, Boyd Robertson.

Coley thanked the cooks for lunch. Jeff Lundy, David Mann, Kerry Minninger, Wayne Moore, and Mike Moss.

Guests: Paul Bierdman. He would like to join and Mark will be his mentor.
Al and Stephanie Doggett from Mobile, Alabama
Jeff and Elisa Lunday, their son and his family
Mark Withers, a past member.

The minutes from the January meeting were read and a motion to approve was made by Mike Moss. The motion passed.

Safety: Tommy Jackson presented the safety portion of the meeting.
Emergency procedures were discussed for all areas of flight.
A guide to a perfect preflight. Use a check list.
Warmer weather will be coming and pointers were given on getting an airplane ready for spring flying.
The cones are set on the airfield 500 feet apart.
The take off point from the south end of the runway is at the north side of Talmadge's hanger.
Pattern altitude is 800 feet MSL or 1200 feet AGL.

Financial Report: Dee reported \$6,198.00 in the bank and the year to date cash flow had been \$7,200. This was a \$1,038 increase. There will be bills to pay for the rest of the year

but everything is within budget. Tony made the motion to

accept. The motion passed.

The Audit Report: John Price reported that the report was completed and everything was in order. Mark moved to accept. The motion passed.

Old Business: John Price asked about a fly over for the Jacobs camp In July. It was announced that the Yazoo City fly in will be the 23rd of February. Mark said that the fly in for lunch at Lake Tiacato and take off time would be about 10:30. Dee said the Meridian NAS Air Show would be March 29 &30 with the Blue Angles. Allen Ross thanked everyone that came to the Kosciusko fly in. About 70 plus kids were flown for the young eagles. Nothing yet to report on a float for Christmas Parades.

New Business: Joe Cauthern said that we need some clay gravel for the road. Tony made the motion for one load of crushed concrete to be purchased and allow up to \$700.00 to purchase the concrete. Mark made a second. Coley is to be in charge of the purchase. Motion passed. Coley brought up the subject of a new club house. There much discussion and a committee was formed to look into the idea of building a new club house. The committee will be: John Price, Talmadge, Joe Cauthern, Tony, and Coley.

Mark made the motion to adjourn.
