

CENTRAL MISSISSIPPI LIGHT FLYERS

SPRING FLY-IN, SATURDAY, JUNE 11, 2011

*Chicken plates served at noon * Live band – “Serve Chilled” * Glider rides and other airplane rides usually available for a donation * FREE (for the little ones) to walk along “kiddie” airplanes they can “pilot” themselves * Pilots available for the EAA Young Eagle Program, to offer young people between the ages of 8 – 17 an opportunity to go flying in a general aviation airplane.

We Fly for Fun!

9:00 am – 3:00 pm

Open to the General Public

WHERE: Harrell Field, Pisgah, MS (MS08)
 2600 ft. grass N/S runway
 Monitor 122.9 mhz
 GPS: N 32 28 243
 W 089 51 149

Driving Directions: Hwy 25 to Hwy 43 exit,
 follow signs, pass Pisgah High School and
 take a left on Old Hwy 43 to the field.

Special Note: We never know how many planes will be able to attend (subject to weather), but we usually have several types – including ultralights, military, experimental, helicopters, and general aviation. We sometimes have fly-bys of various military or experimental high performance aircraft. We strive to be safety conscious and have an “Air Boss” on the field to coordinate traffic and parking.
